About Us

Manishka Garments is a young enterprise that manufactures quality fashion garments for the export and domestic sector. We are specialized in men's, Ladies, & kids wear such as Shirt T-shirt, Polo, jackets, dresses, Tops, Palazzo, skirts, beachwear and so forth. Manishka Garments has skilled and committed work force, experienced staff, and more than 30 years of expertise in apparel manufacturing & exports. Manishka Garments has a fully automated compliant manufacturing facility in Bareilly where the vision is to give work to locals & help to develop the region for a better life. This facility also has a sampling unit along with a washing facility and training center. Main market caterers are U.K. & USA Chic Persiana, Allura & Aeropostale and a few Domestic Brands.

WHY MANISHKA GARMENTS

Quality: Strict control on every aspect of quality from fabric to garment inspection and every movement in between carried out by dedicated staff members with experience in their respective fields.

Delivery: Daily monitoring from production planning to ex-factory targets is made possible by our production and merchandiser internal working system.

Efficiency: Pre-production approvals, quality checking of raw materials are all undertaken on priority in order to maintain smooth flow of production and timely delivery.

Competitiveness: Procuring raw materials from select/regular/ dedicated suppliers makes it possible for us to control costs, maintain deliveries and stay competitive.

Compliance: Our production unit is technically and socially compliant, listed on SEDEX. Customers have the assurance of ethical and technical compliance.

Customer Service: Each buyer is given a dedicated merchandising team to ensure smooth execution of their orders. Customers can be assured that their queries will be answered instantaneously.
